

and to protect the health and safety of participants but shall not be more onerous than current adult day care assessments. The Division of Health Service Regulation shall have the authority to enforce the rules adopted by the Department. Prior to the provision of overnight respite services, an adult day care program participating in the pilot shall receive an initial inspection by the Division of Health Service Regulation for compliance with the rules. On a basis not less than every six months, the Division of Health Service Regulation shall conduct monitoring visits and shall also be responsible for the investigation of complaints. Each adult day care program participating in the pilot shall periodically report the number of individuals served and the average daily census to the Division of Health Service Regulation, on a schedule determined by the Division. The Division of Health Service Regulation shall have the authority to suspend admissions or terminate the pilot program at any time due to noncompliance with regulatory requirements which has resulted in death or serious physical harm, or when there is a substantial risk that death or serious physical harm will occur.

**SECTION 2.** The Department of Health and Human Services shall report on the status of the pilot once a year to the Program Evaluation Division. The Program Evaluation Division shall evaluate the provision of overnight respite services in an adult day care program through the experiences of this pilot. The evaluation shall include whether this pilot was successful as measured by the participants in receipt of overnight respite, the primary caregivers of participants, the adult day care programs participating in the pilot, and the Department of Health and Human Services. On or before October 1, 2014, the Program Evaluation Division shall provide a report to the General Assembly on the feasibility of continuing to provide overnight respite in an adult day care program.

**SECTION 3.** This act becomes effective when it becomes law; adult day care programs participating in the pilot shall be selected and have received an initial inspection by January 1, 2012; and this act is repealed June 1, 2015.
